Recommendation

It is with great pleasure and confidence that I recommend Princess Marian S. Ricarborda, an exceptional student leader who has consistently demonstrated outstanding leadership qualities, academic excellence, dedication, and a genuine commitment to serving others. Having been her teacher in Philippine Politics and Governance in Grade 11 and Community Engagement, Solidarity, and Citizenship in Grade 12, I have personally witnessed her remarkable growth as a student and her immense potential as a future leader.

Princess Marian possesses the essential characteristics of an effective leader: integrity, responsibility, initiative, empathy, excellent communication skills, and the ability to inspire and motivate others. What distinguishes her is her capacity to transform ideas into meaningful actions while ensuring that every member of her team feels valued and empowered. She leads not merely by giving directions but by setting an example, encouraging collaboration, and fostering a strong sense of shared responsibility.

In my Philippine Politics and Governance class, her exceptional leadership skills propelled her and her group to outstanding performances in classroom discussions, collaborative activities, and performance-based tasks. She demonstrated a strong understanding of governance, civic responsibility, and democratic participation, translating these concepts into practical leadership within her group. Her ability to organize tasks, facilitate meaningful discussions, and bring out the strengths of her classmates contributed significantly to their academic accomplishments.

Her leadership became even more evident in my Community Engagement, Solidarity, and Citizenship class, where she consistently demonstrated her ability to mobilize her peers, develop collaborative initiatives, and connect classroom learning with the principles of community involvement and responsible citizenship. Her leadership played a pivotal role in her group's outstanding performance, reflecting her organizational abilities, critical thinking, resourcefulness, and unwavering commitment to achieving collective goals.

These remarkable qualities have extended far beyond the four walls of the classroom. Her dedication, leadership capabilities, and commitment to environmental advocacy have contributed to her historic achievement of becoming the first-ever Division Federation Youth for Environment in Schools Organization (YES-O) President. This milestone is a testament to her ability to inspire confidence, earn

the trust of her fellow student leaders, and take on greater responsibilities in advancing environmental stewardship and youth participation.

What I admire most about Princess Marian is that she views leadership not simply as a position of authority but as an opportunity to serve, empower, and create positive change. She possesses the humility to listen, the courage to take initiative, and the determination to overcome challenges. These qualities, combined with her academic capabilities and proven leadership experience, demonstrate her tremendous potential to assume even greater leadership responsibilities in the future.

I firmly believe that Princess Marian S. Ricarborda will continue to excel in any academic institution, organization, or leadership opportunity she chooses to pursue. She has already demonstrated that she is capable not only of achieving personal success but also of elevating the performance of those around her. Her journey from an outstanding classroom leader to the first-ever Division Federation YES-O President reflects the promising future that awaits her.

I wholeheartedly and without reservation recommend Princess Marian S. Ricarborda for any academic, leadership, scholarship, or recognition opportunity for which she may be considered. I am confident that she will continue to uphold the highest standards of excellence, integrity, and service while making meaningful contributions to her school and the wider community.

Respectfully yours,

REY COLIN F. ANTICAMARA
