Applicant Information

Name: Ashley Jhean J. Vender

Current School: St. Anthony's Academy of Tuburan, Inc

Ashley Jhean J. Vender is a student whom I have known to be respectful, responsible, and willing to learn. She may not always be the most outspoken student, but she listens carefully and does her best when given a responsibility. She also shows concern for others and maintains a good relationship with the people around her.

Aside from her school activities, Ashley is involved in church activities as a student catechist and youth participant. Her involvement in these activities shows her willingness to serve and give her time to others. She has also taken part in student leadership and other school activities.

As she prepares for college, Ashley continues to work toward her goals. I believe she will appreciate and make good use of the opportunity that this scholarship can provide. I am pleased to recommend her for the PCAFPD Scholarship.
