

RECOMMENDATION LETTER

To the PCAFPD Undergraduate Scholarship Selection Committee:

I am pleased to recommend Rian V. Herrera, a Grade 12 graduating student, for the **PCAFPD Undergraduate Scholarship**. As her Research Teacher, I have had the opportunity to closely observe her dedication, leadership abilities, sense of responsibility, and commitment to both her academic work and extracurricular activities.

As her Research Teacher, I have personally witnessed how well Rian leads and manages her research group. She is responsible, organized, and willing to take initiative when challenges arise. She works effectively with her members, communicates clearly, and ensures that tasks are properly managed. Her ability to guide her group while maintaining cooperation demonstrates her strong leadership potential.

Rian is also actively involved in various extracurricular activities. She participated in **broadcasting**, where I had the privilege of mentoring her team. Through their teamwork and dedication, our broadcasting team won the **Gold Award at the Regional Schools Press Conference (RSPC)**. This achievement reflects Rian's talent, commitment, teamwork, and ability to perform under pressure at a regional competition.

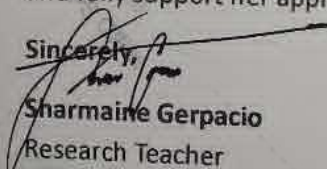

She has also demonstrated her creativity and perseverance through **cartooning**, where she **won first place**. Beyond these achievements, Rian has shown significant leadership as **the President of the Drama Club**. From my observations, she manages the organization very well, coordinates effectively with her members, and takes responsibility for accomplishing their goals. Her experience as a **former Classroom Vice-President** has also strengthened her ability to serve and work with others.

What stands out most about Rian is her ability to balance her academic responsibilities, leadership roles, and extracurricular activities. She takes her responsibilities seriously and consistently strives to make meaningful contributions. Her experiences in research, student leadership, broadcasting, cartooning, and the Drama Club demonstrate her initiative, versatility, and potential to become a responsible and engaged member of the community.

I strongly believe that Rian V. Herrera is well-suited for the PCAFPD Undergraduate Scholarship. She possesses the determination, leadership potential, creativity, teamwork, and sense of responsibility necessary to succeed in higher education. I am confident that she will continue to grow, achieve her goals, and contribute positively to her community.

I therefore give my highest recommendation to Rian V. Herrera for the PCAFPD Undergraduate Scholarship and fully support her application.

Sincerely,

Sharmaine Gerpacio

Research Teacher
